**ORDER DENYING  
JOINT STIPULATION  
EXTENDING CURRENT  
DEADLINES**

1 The Court has reviewed the parties' Joint Stipulation to Continue Dates  
2 in this matter. The Court recognizes that there has been substantial litigation in  
3 this case, and that the parties wish to engage in global settlement discussions.  
4 However, the agreement to defer deposition discovery while a global  
5 settlement of the case is pursued was reached without Court approval. At this  
6 point, while the Court is prepared to entertain a request for a short continuance,  
7 there is no good cause justifying the extensions requested by the parties. The  
8 lengthy extensions sought by the Joint Stipulation would result in needless  
9 delay and would interfere with the Court's efficient management of this matter.  
10 Accordingly, the Joint Stipulation is DENIED.

11 **IT IS SO ORDERED.**
